» **IMPORTANT**

- Please read these instructions carefully before you start to assemble this product.
- Please carry out the steps in the order set out in these instructions.
- Keep these instructions in a safe place for future reference
- Once assembly is completed the product must be attached to the wall.

» **Customer Service**

For assistance with assembly or for replacement parts – please log onto our website or call our service line (number is on the title page).

Additional information can be found at our website: [www.palramapplications.com](http://www.palramapplications.com)

» **T001 (supplied)**» **Care & Maintenance**

- When your Lean To - Grow House needs to be cleaned, use a mild detergent solution and rinse with cold clean water.
- DO NOT use acetone, abrasive cleaners or other special detergents to clean the clear panels.

» **Before Assembly**

- Sort the parts and check according to the contents parts list.
- Some parts may have sharp edges. Please be careful when handling components.

» **Notes During Assembly**

- You may use silicon lubricant spray in order to help you slide the rubber seal (**Steps 14a+18b**) into the profiles.
- Do not spray the Polycarbonate panels.

During assembly you will encounter the information icon, please refer to the relevant assembly step for additional comments and assistance.

**Step 7:** Please note the assembly direction of profile **#7857**.

**Step 17:** A 7mm hole (3/8") must be drilled through the pre-drilled hole in profile **#7857 (detail a)** and through the Polycarbonate panel.

**Step 20:** Nut (**#466**) should be fully tightened and then slightly loosened in order to allow smoother motion of the pulley.

**Step 21:** Please note, while assembling the door, make sure it is parallel to the upper rail thus allowing easier motion. If it is not parallel, the nuts should be a bit loosened, repositioned and tightened again.

**Step 24:** Anchoring the product to the wall (**details a, b & c**).

Choose the appropriate screws for the type of wall you want to attach the product to. (Screws and screw anchors are not supplied with the product).

**Tighten all screws once assembly is completed.**

Do not tighten screws and nuts (411 & 412) until completion of assembly process. These 2 icons indicate if screws' tightening is required or not.

412

411

## » IMPORTANT

- Veuillez lire attentivement ces instructions avant de commencer l'assemblage de ce produit.
- Veuillez réaliser les étapes suivant l'ordre décrit dans les présentes instructions.
- Conservez ces instructions dans un endroit sûr pour référence future
- Une fois l'assemblage terminé, le produit doit être fixé au mur.

## » Service à la clientèle

Pour obtenir une assistance lors du montage ou pour des pièces de rechange, veuillez vous connecter sur notre site web ou appelez notre ligne de service (le numéro figure sur la page de garde).

Des informations supplémentaires peuvent être trouvées sur notre site web : [www.palramapplications.com](http://www.palramapplications.com)

## » T001 (fourni)

## » Entretien & Maintenance

- Lorsque votre Lean To - Grow House a besoin d'être nettoyé, utilisez une solution de détergent doux et rincez à l'eau froide.
- N'utilisez PAS d'acétone, de nettoyeurs abrasifs ou d'autres détergents spéciaux pour nettoyer les panneaux transparents .

## » Avant de réaliser l'assemblage

Triez les pièces et vérifiez-en le contenu selon la liste des composants.

- Certaines pièces pourraient avoir des arêtes tranchantes.
- Veuillez agir avec précaution lors de la manipulation de l'un des composants

## » Remarques durant l'assemblage

- Vous pouvez utiliser un vaporisateur de silicium lubrifiant afin de vous aider à faire glisser le joint en caoutchouc (**étapes 14a+18b**) dans les profils.
- Ne pulvérisez pas les panneaux en polycarbonate.

Quand vous rencontrerez l'icône d'information, veuillez vous référer à l'étape pertinente d'assemblage pour commentaires et assistance supplémentaires.

**Étape 7 :** Veuillez noter le sens de montage du profil **#7857**.

**Étape 17 :** Un trou de **7 mm (3/8")**, doit être percé à travers le trou pré-percé dans le profil **#7857 (détail a)** ainsi qu'à travers le panneau de polycarbonate.

**Étape 20 :** L'écrou (**#466**) devrait tout d'abord être bien serré pour être ensuite légèrement desserré afin de permettre un mouvement plus fluide de la poulie.

**Étape 21 :** Veuillez noter que lors de l'assemblage de la porte, vous devez vous assurer qu'elle est parallèle au rail supérieur permettant ainsi un mouvement plus facile. Si ce n'est pas le cas, les boulons devront être légèrement desserrés, repositionnés et resserrés.

**Étape 24 :** Ancrage du produit au mur (**détails a, b et c**).

Choisissez les vis appropriées pour le type de mur sur lequel vous voulez fixer le produit. (Vis et chevilles ne sont pas fournies avec le produit).

**Resserrez bien toutes les vis une fois l'assemblage terminé.**

Ne serrez pas les vis et les écrous (411 & 412) jusqu'à la fin du processus d'assemblage. Ces deux icônes indiquent si le resserrement des vis est nécessaire ou pas.

» **IMPORTANT**

- Please read these instructions carefully before you start to assemble this product.
- Please carry out the steps in the order set out in these instructions.
- Keep these instructions in a safe place for future reference
- Once assembly is completed the product must be attached to the wall.

» **IMPORTANTE**

- Por favor, lea con atención estas instrucciones antes de montar el producto.
- Por favor, siga los pasos para montarlo de acuerdo a estas instrucciones.
- Conserve estas instrucciones en un lugar seguro para poder remitirse a ellas en el futuro.
- Una vez el producto esté montado, hay que sujetarlo a la pared.

## » Atención al cliente

Si necesita ayuda para montarlo o piezas de repuesto, por favor, entre en nuestro sitio web o llame a la línea de atención al cliente (el número está en la portada).

Podrá encontrar más información en nuestro sitio web: [www.palramapplications.com](http://www.palramapplications.com)

## » T001 (se suministra)

## » Cuidado y mantenimiento

- Cuando tenga que limpiar su Lean To - Grow House, utilice una solución de detergente suave y aclárela con agua fría limpia.
- NO use acetona ni limpiadores abrasivos u otros detergentes especiales para limpiar los paneles transparentes.

## » Antes de montarla

- Clasifique las piezas y compruébelas de acuerdo a la lista de piezas que contiene.
- Algunas piezas pueden tener bordes afilados. Por favor, tenga cuidado cuando manipule los componentes.

## » A tener en cuenta durante el montaje

- Puede utilizar un spray lubricante de silicona con el fin de que sea más sencillo deslizar las juntas de goma (**pasos 14a+18b**) en sus perfiles.
- No eche spray en los paneles de policarbonato

Cuando encuentre el icono de información, remítase, por favor, al paso del montaje correspondiente para ver más detalles y si necesita ayuda.

**Paso 7:** tenga en cuenta la dirección en que debe montar el perfil **#7857**

**Paso 17:** hay que hacer un agujero de **7 mm (3/8")** en el agujero premarcado del perfil **#7857 (detalle a)** y a través del panel de policarbonato.

**Paso 20:** la tuerca (**#466**) debería estar apretada del todo y luego aflojarla ligeramente para que la polea se mueva con suavidad.

**Paso 21:** cuando monte la puerta, tenga en cuenta por favor, que esté en paralelo con el riel superior para que se mueva con mayor facilidad. Si no está en paralelo, tendrá que aflojar un poco las tuercas, colocarla bien y volver a apretarlas.

**Paso 24:** sujete el producto a la pared (**detalles a, b y c**).

Elija los tornillos de acuerdo al tipo de pared en que vaya a sujetarlo (los tornillos y los tornillos de anclaje no se suministran con el producto).

**Una vez haya acabado el montaje, apriete todos los tornillos.**

No apriete las tuercas ni los tornillos (411 y 412) hasta que termine el proceso de montaje. Estos 2 iconos indican si es necesario apretar los tornillos o no.

412

411

» **VIKTIGT**

- Läs dessa instruktioner noggrant innan du börjar att montera den här produkten.
- Vänligen utför installationen i den ordning som anges i denna instruktion.
- Förvara dessa instruktioner på en säker plats för framtida bruk
- När monteringen är klar måste produkten fästas på väggen.

» **Kundservice**

För hjälp med montering eller reservdelar, logga in på vår hemsida eller ring vår servicetelefon (numret visas på titelsidan).

Ytterligare information finns på vår hemsida: [www.palramapplications.com](http://www.palramapplications.com)

» **T001 (medföljer)**» **Skötsel och underhåll**

- När din Lean To - Grow House behöver rengöras, använd ett mildt rengöringsmedel och skölj med kallt rent vatten.
- ANVÄND INTE aceton, andra liknande rengöringsmedel för att tvätta panelerna.

» **Före Installering**

- Sortera delarna och kontrollera att allt innehåll finns i enlighet med listan
- Vissa delar kan ha vassa kanter. Var försiktig när du hanterar komponenterna.

» **Notera under montering**

- Du får använda silikonsmörjmedel för att hjälpa till att skjuta upp gummitätningen (**Steg 14a + 18b**) i profilerna.
- Spraya inte polykarbonat på panelerna.

När du stöter på informations-ikonen, se respektive monteringssteg för ytterligare kommentarer och hjälp.

**Steg 7:** Observera monteringsriktningen på profil **#7857**

**Steg 17:** Ett **7mm hål (3/8")** måste borraras genom det förborrade hålet i profil **#7857 (detalj a)** och genom Polykarbonat panelen.

**Steg 20:** Mutter (**#466**) bör vara fullt åtdragen och sedan något lossas för att möjliggöra smidigare rörelse i remskivan.

**Steg 21:** Observera - medans du monterar dörren, se till att den är parallell med den övre skenan vilket möjliggör enklare rörelse. Om det inte är parallell, bör nötterna vara lite lösare, flyttas på och skruvas åt igen.

**Steg 24:** Förankra produkten på väggen (**detaljer a, b & c**).

Välj lämpliga skruvar för den typ av vägg som du vill placera produkten på (Skruvar och skruvankare medföljer inte).

**Dra åt alla skruvar när monteringen är klar.**

Dra inte åt skruvar och muttrar (411 & 412) tills dess att monteringsprocessen är klar. Dessa två ikoner visar om skruvar behöver åtstramning eller inte.

» **VIGTIGT**

- Læs denne vejledning omhyggelig før du begynder at samle dette produkt.
- Udfør trinnene i den rækkefølge, der er beskrevet i denne vejledning.
- Opbevar denne vejledning på et sikkert sted til senere brug.
- Når produktet er samlet, skal det fastgøres til væggen.

» **Kundeservice**

For at få hjælp til samlingen eller få reservedele - log ind på vores hjemmeside eller ring til vores servicetelefon (nummeret står på forsiden).

Yderligere informationer findes på vores hjemmeside: [www.palramapplications.com](http://www.palramapplications.com)

» **T001 (leveres med)**» **Pleje og vedligeholdelse**

- Når dit Lean To - Grow House skal rengøres, brug en opløsning med et mildt rengøringsmiddel og skyl efter med koldt, rent vand.
- UNDLAD at bruge acetone, skurende rengøringsmidler eller andre specielle rengøringsmidler til rengøring af de gennemsigtige paneler.

» **Før samlingen**

- Sorter delene og tjek dem i forhold til listen over bestanddele.
- Nogle dele kan have skarpe kanter. Vær forsigtig, når du håndterer komponenterne.

» **Bemærk under samlingen**

- Du kan bruge silikonespray til at hjælpe med at sætte gummiseglet (**trin 14a+18b**) ind i profilerne.
- Undlad at spraye på panelerne af polykarbonat.

Når du støder på informationsikonet, bedes du se det respektive samlingstrin for yderligere kommentarer og hjælp.

**Trin 7:** Bemærk samlevejledningen af profil **#7857**

**Trin 17:** Et **7mm hul (3/8")** skal bores igennem det fra fabrikken borede hul i profil **#7857 (detalje a)** og igennem panelet af polykarbonat.

**Trin 20:** Møtrik (**#466**) bør spændes helt og derefter løsnes for at muliggøre en mere jævn bevægelse af remskiven.

**Trin 21: Bemærk:** Mens du samler døren, bør du sikre dig, at den er parallel med den øverste skinne og således tillader lettere bevægelse. Hvis døren ikke er parallel, bør møtrikkerne løsnes lidt, flyttes og strammes igen.

**Trin 24:** Forankring af produktet i væggen (**detaljer a, b og c**).

Vælg de passende skruer til den type væg, som du ønsker at fastgøre produktet til. (Skruer og rawplugs følger ikke med produktet).

**Spænd alle skruer, når samlingen er afsluttet.**

Undlad at spænde skruer og møtrikker (411 og 412) helt før samleprocessen er afsluttet. Disse 2 ikoner angiver, om det er nødvendigt at spænde skruer eller ej.

## » VIKTIG

- Les følgende instruksjer nøye før du begynner å montere produktet.
- Fullfør stegene i den rekkefølgen de står oppført i denne veiledningen.
- Oppbevar disse instruksene på en sikker plass for fremtidig bruk
- Produktet må til en vegg etter at monteringen er fullført

## » Customer Service

For å få veiledningsråd eller for å bestille reservedeler, kan du logge inn på nettstedet vårt eller ringe oss på servicenummeret vårt (du finner nummeret på fremsiden).

Du kan lese mer informasjon på nettstedet vårt: [www.palramapplications.com](http://www.palramapplications.com)

## » T001 (inkludert)

## » Pleie &amp; Vedlikehold

- Bruk en mild såpe ved rengjøring av Lean To-veksthuset. Skyll av med kald og rent vann.
- IKKE bruk aceton, løsemidler eller andre spesielle rengjøringsmidler til rengjøring av de gjennomsiktige panelene.

## » Før montering

- Sorter delene og se at de stemmer med listen.
- Enkelte deler kan ha skarpe kanter; vær forsiktig når du håndterer dem.

## » Merknader under montering

• Du kan bruke et silikonbasert smøremiddel for å bidra med å skyve gummipakningen (**Steg 14a+18b**) innpå profilene.

• Ikke få spray på polikarbonat-panelene.

Du kommer til å se et informasjonsikon i løpet av monteringen; se det tilsvarende monteringssteget for å lese tilleggsinformasjon og få assistanse.

**Steg 7:** Vær oppmerksom på instruksene for montering av profil **#7857**

**Steg 17:** Et hull på 7mm (3/8") må bores gjennom det forhåndsborede hullet i profil **#7857 (detalj a)** og gjennom polikarbonat-panelet.

**Steg 20:** Mutter (**#466**) skal først strammes helt og så løsnes akkurat nok til å sørge for at trinsen virker optimalt.

**Steg 21:** Sørg for at døren monteres parallelt med skinnen ovenfor for å sørge for bedre bevegelighet. Hvis den ikke står parallelt, må mutrene løsnes for å innrette på nytt, og deretter strammes igjen.

**Steg 23:** Forankre produktet til veggen (**detaljer a, b & c**).

Velg skruer som passer for den type vegg du vil forankre produktet til. (Skruer **og** forankringskruer følger ikke med produktet).

Stram alle skruene etter at produktet er ferdigmontert.

Ikke stram skruer og mutre (411 & 412) før produktet er ferdigmontert. Disse 2 ikonene indikerer om det er behov for å stramme skruene.

412

411

## » DŮLEŽITÉ

- Před tím, než začnete sestavovat tento produkt si prosím pečlivě přečtete tyto instrukce.
- Provádějte prosím kroky v pořadí uvedeném v těchto pokynech.
- Uschovejte prosím tyto instrukce na bezpečném místě pro budoucí použití.
- Jamile je produkt sestaven, musí být umístěn na stěnu.

## » Oddělení péče o zákazníky

Pro pomoc s montáží nebo objednání náhradních dílů se přihlaste na naše webové stránky nebo zavolejte na naši servisní linku (číslo je uvedeno na titulní stránce).

Další informace můžete nalézt na našich webových stránkách: [www.palramapplications.com](http://www.palramapplications.com)

## » T001 (součástí dodávky)

## » Péče a údržba

- Pokud je Váš skleník třeba vyčistit, použijte jemný čisticí prostředek a opláchněte studenou čistou vodou.
- NEPOUŽÍVEJTE aceton, abrazivní čisticí prostředky nebo jiné speciální čisticí prostředky pro čištění panelů.

## » Před sestavením

- Roztřídte díly a zkontrolujte je podle seznamu součástí.
- Některé části mohou mít ostré hrany. Prosím, buďte opatrní při manipulaci s komponenty.

## » Poznámky během montáže

- Můžete použít silikonový mazací sprej, aby Vám pomohl posunout gumový uzávěr (**kroky 14a + 18b**) do profilů.
- Nestříkejte na polykarbonátové panely.

Během montáže se setkáte s informačními ikonami. Podívejte se prosím na příslušný montážní krok pro další připomínky a pomoc.

**Krok 7:** Vezměte prosím na vědomí směr montáže profilu # **7857**

**Krok 17:** 7mm otvor (3/8") musí být vyvrtán skrz předvrtané díry v profilu # **7857 (detail a)** a skrz polykarbonátový panel.

**Krok 20:** Matice (# **466**) by měla být řádně utažena a poté mírně uvolněna, aby byl umožněn plynulejší pohyb řemenice.

**Krok 21:** Při montování dveří se ujistěte, že jsou rovnoběžné s horní kolejnicí, čímž se umožní snadnější pohyb. Pokud nejsou rovnoběžné, matice by měly být o něco volnější, přemístěny a znovu utaženy.

**Krok 23:** Ukotvení produktu ke stěně (**podrobnosti a, b a c**).

Vyberte si vhodné šrouby pro typ stěny, ke které chcete produkt připojit. (Šrouby a hmoždinky nejsou součástí výrobku).

Po dokončení montáže utáhněte všechny šrouby.

Neutahujte šrouby a matice (411 a 412), až do dokončení procesu montáže. Tyto 2 ikony ukazují, zda je utahování šroubů nutné či ne.

## » BELANGRIJK

- Lees deze handleiding zorgvuldig voordat u begint met de montage van dit product.
- Voer deze stappen uit in de volgorde zoals ze in deze handleiding worden omschreven.
- Bewaar deze handleiding op een veilige plaats om deze later te kunnen raadplegen
- Zodra de montage voltooid is, moet het product aan de muur worden bevestigd

## » Klantenservice

Voor assistentie met monteren, vervangen van onderdelen of elke andere aanvullende informatie log in op onze website of bel onze klantenservicelijn (nummer staat in het paginahoofd). [www.palramapplications.com](http://www.palramapplications.com)

## » T001 (meegeleverd)

## » Verzorging &amp; onderhoud

- Gebruik voor de reiniging van de kweekkas een mild schoonmaakmiddel en spoel deze af met koud, schoon water.
- Gebruik GEEN aceton, schuurmiddel en andere speciale schoonmaakmiddelen om de panelen mee te reinigen.

## » Voor de montage

- Sorteer de onderdelen en controleer deze aan de hand van de onderdelenlijst.
- Sommige onderdelen kunnen scherpe randen hebben. Wees voorzichtig bij het hanteren van deze componenten.

## » Opmerkingen bij de montage

- U kunt siliconenspray gebruiken om de rubberen afdichting (**stappen 14a+18b**) gemakkelijker in de profielen te laten schuiven.

- Spuit niet op de polycarbonaat panelen.

Als u tijdens de montage het informatie-icoontje ziet, verwijzen we u naar de desbetreffende montageslap voor aanvullend commentaar en hulp.

**Stap 7:** Let op de montagerichting van profiel **#7857**.

**Stap 17:** Er moet een gat van 7mm (3/8") worden geboord door het voorgeboorde gat in profiel **#7857 (detail a)** en door het polycarbonaat-paneel.

**Stap 20:** Moer (**#466**) moet volledig worden vastgedraaid en vervolgens iets worden losgedraaid om een soepeler beweging van de katrol mogelijk te maken.

**Stap 21:** Let er bij de montage van de deur op dat deze parallel met de bovenste rail is, om een soepeler beweging mogelijk te maken. Als de deur niet parallel is, moeten de moeren een beetje worden losgedraaid, opnieuw in positie worden gebracht en weer worden vastgedraaid.

**Stap 23:** Het product aan de muur verankeren (**details a, b & c**).

Kies de juiste schroeven voor het type muur waar u het product aan wilt bevestigen. (Schroeven en pluggen worden niet meegeleverd met het product).

Draai alle schroeven aan, zodra de montage voltooid is.

Zet de schroeven en moeren (411 & 412) pas vast als het montageproces voltooid is. Deze 2 icoontjes geven aan of de schroeven moeten worden vastgezet of niet.

» **TÄRKEÄÄ**

- Lue nämä käyttöohjeet huolellisesti ennen kuin aloitat tuotteen kokoamisen.
- Toteuta vaiheet näiden ohjeiden mukaisessa järjestyksessä.
- Pidä nämä käyttöohjeet turvallisessa paikassa tulevaa tarvetta varten
- Kun tuote on koottu, se pitää kiinnittää seinään.

» **Asiakas palvelu**

Jos tarvitset apua / neuvoja asennukseen tai osien vaihtoon – käänny meidän kotisivujen,

sähköpostin puoleen tai soita jälkimarkkinointiimme (tiedot löytyvät kansilehdestä).

Lisäinformaatiota löydät valmistajan sivuilta [www.palramapplications.com](http://www.palramapplications.com)

» **T001 ((toimitettu mukana))**» **Huolenpito & huolto**

- Kun Lean To - Grow House -kasvihuoneesi tarvitsee putsausta, käytä mietoja pesuaineita ja huuhtelee puhtaalla ja kylmällä vedellä.
- ÄLÄ KÄYTÄ asetonia, hankaavia puhdistusaineita tai muita pesuaineita läpinäkyvien paneelien puhdistukseen.

» **Ennen kokoamista**

- Lajittele osat ja tarkista ne osaluettelon mukaisesti.
- Joissakin osissa saattaa olla terävät reunat. Ole varovainen käsitellessäsi osia.

» **Huomioita kokoamiseen**

- Voit käyttää silikoniliukastesuihketta helpottaaksesi kumieristeen liuuttamista (**vaiheet 14a + 18b**) sille varattuihin paikkoihin.
- Älä suihkuta polykarbonaattipaneeleita.

Kun kokoamisen aikana kohtaat infokuvakkeen, katso vastaava kokoamisvaihe saadaksesi lisätietoja ja -apua.

**Vaihe 7:** ota huomioon osan **#7857** kokoamissuunta.

**Vaihe 17:** **7 mm:n (3/8") kokoinen reikä tulee porata osan #7857 esiporatun reiän läpi (yksityiskohta a) sekä polykarbonaattipaneelin läpi.**

**Vaihe 20:** mutteri (**#466**) pitää ensin kiristää täysin, jonka jälkeen sitä tulee hieman löysätä, jotta ovipyörän liikkeestä tulee sulavampi.

**Vaihe 21:** varmista ovea kiinnittäessä, että se on samansuuntainen yläkiskon kanssa, sallien oven kevyemmän liikkeen. Jos ovi ei ole samansuuntainen, löysää muttereita, aseta ovi uudelleen ja kiristä mutterit uudestaan.

**Vaihe 23:** tuotteen ankkurointi seinään (**yksityiskohdat a, b & c**).

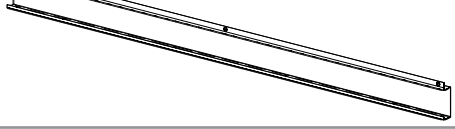

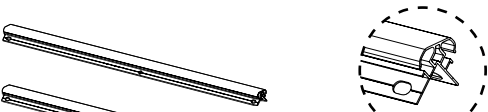

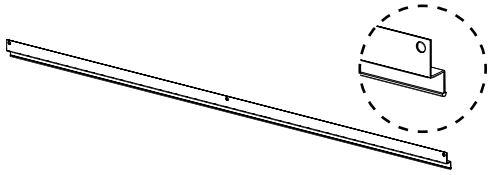

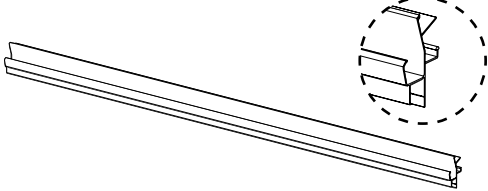

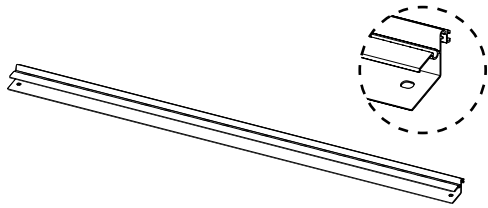

Valitse sopivat ruuvit sille seinätyypille, johon haluat tuotteen kiinnittää. (Ruuveja ja proppuja ei toimiteta tuotteen mukana).

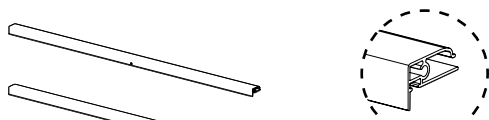

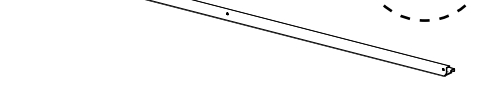

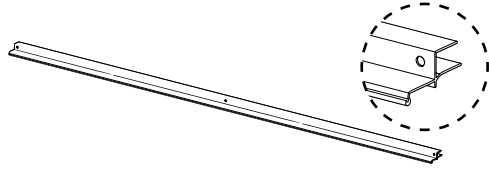

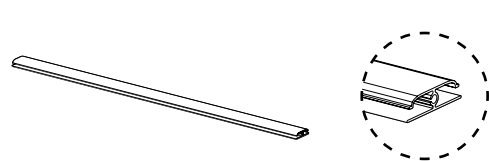

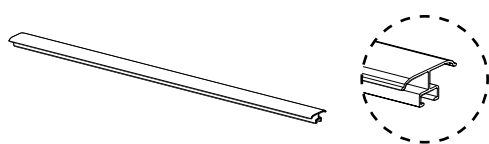

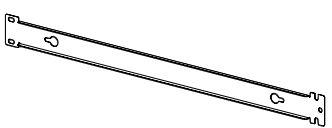

Kiristä kaikki ruuvit, kun kokoaminen on valmis.

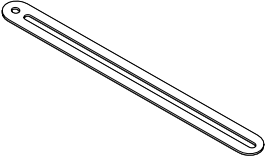

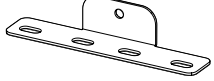

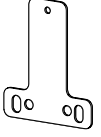

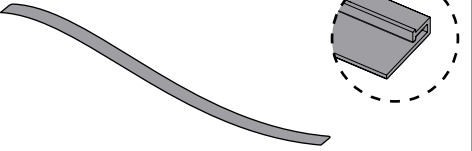

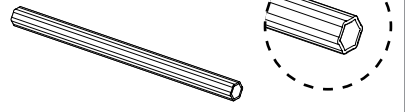

Älä kiristä ruuveja ja muttereita (411 & 412) ennen kuin kokoaminen on valmis. Nämä kaksi kuvaketta näyttävät, mikäli ruuvien kiristäminen on tai ei ole tarpeellista.
